Sunrise Multispecialty Hospital

Insurance and Billing Policy

Cashless Treatment

Sunrise Multispecialty Hospital offers cashless treatment for patients covered by empanelled insurance companies and TPAs. Empanelled insurers include Star Health, HDFC ERGO, ICICI Lombard, Niva Bupa and Bajaj Allianz, along with Ayushman Bharat (PM-JAY) and CGHS.

How to Get Cashless Admission

For planned admissions, send the pre-authorisation request at least 48 hours before admission. Submit your insurance card, a photo ID, and the doctor's admission advice at the Insurance Desk on the ground floor. Approval usually takes 2 to 4 hours.

For emergency admissions, the pre-authorisation request is raised within 24 hours of admission by the Insurance Desk.

Reimbursement Claims

If your insurer is not empanelled, you can pay the bill and claim reimbursement from your insurer. The hospital provides the final bill, discharge summary, itemised bill, investigation reports and payment receipts. Keep all original documents and submit them to your insurer within 15 days of discharge.

Non-Payable Items

Items usually not covered by insurance include registration fees, consumables such as gloves and masks, cosmetic procedures, and items excluded by your policy. The Insurance Desk can give an estimate of non-payable items before admission.

Billing and Refunds

Advance deposit is Rs 10,000 for general ward and Rs 25,000 for ICU for self-pay patients. Any unused deposit is refunded within 7 working days of discharge by bank transfer. Payments can be made by cash, card, UPI or net banking.
